

V22 Summer Club: July-August 2017

V22 Volunteer Programme:

V22 Summer Club 2017

22 July – 27 August 2017

V22 is offering a volunteer programme during its event series, V22 Summer Club 2017. This will be 1 to 2 days per week from July – August with the option to continue with us on other projects (London transport and lunch expenses paid).

V22 is an art organisation, with a shared ownership structure, which specialises in the collection of contemporary art, the production of exhibitions, events and educational initiatives, and the provision of artists' studios, workspace and artisans' workshops.

The V22 Summer Club presents events, exhibitions, performances, screenings and happenings in collaboration with invited programming partners and artists, as well as new partners from local areas in which the Summer Club occurs.

A key element to the programme will be supporting the management team in delivering the event series. Volunteers will gain varied hands-on experience in aspects of organising and producing an events programme. In addition, the programme will be tailored to suit the participants' individual strengths and ambitions, with scope for additional specialisation in areas which may include working alongside the management on research, education, marketing, audience and community development and on planning future projects. We would also welcome anyone interested in photography that would like to develop a portfolio and take photos of the events.

V22 Summer Club: July-August 2017

Last year was the first incarnation of Summer Club in Forest Hill in which we presented 60 events in partnership with over 50 artists and organisations. Please [click here](#) to see some of the great events we presented and hosted.

Once again it will take place in the old laundry building behind [V22 Louise House](#) in Forest Hill. Our long leasehold (125 years) enables us to continue to develop this programme and these partnerships long term and form real roots in the community.

The programme takes place across three spaces (please view map [here](#)): the Community Garden, the Large Gallery Space, the Community Studio, and will begin concurrently with the school summer holidays, on Saturday 22 July. Thereafter the Summer Club will open every weekend until the end of August.
