V22 STUDIO MAILING LIST

V22 does not operate waiting lists but there is a mailing list that you can join should you be interested in renting a studio in a specific building. V22 will only send a mail out when a building that previously had no availability has newly available studios or if V22 opens a new building. We do not email people every time a new studio becomes available, the best way to see what we have is by regularly checking our website.

The rest of our buildings do not have availability at the moment, should you like to join our studio mailing list to be updated when spaces become available, please email studioenquiries@v22collection.com.
